IN ALL THE BEST PLACES

Raymor has a rich past, honoured not only for its historical perspective, but for the way it points to the future.

With a strong South Pacific pedigree, Raymor has a history of more than 60 years in Australia.

Raymor vanities have been specifically crafted to complement any New Zealand bathroom.

Raymor vanities come in two finish options, white gloss polyurethane finish or charred oak melamine finish. The products are painted white gloss with a polyurethane or UV base, making them five times harder and more durable than lacquer finishes, and our melamine finish is a low pressure laminate.

All Raymor vanities have fully integrated vitreous china tops and overflow wastes. All Boston vanities feature soft-close hinges.

Raymor stands for simple, classical design that provides excellent function, fine engineering and great value for money.

ATLANTA VANITY RANGE

The Atlanta vanity range epitomises the very essence of Raymor – function, reliability, design and superb value. Ideal for projects of all scales, this cleverly conceived vanity unit exemplifies functional simplicity. This semi-recessed basin range focuses on generous storage space, versatile features and practical dimensions, the Atlanta is a reliable and flexible bathroom piece. Available in white gloss polyurethane finish or charred oak melamine finish.
